

May 4, 2016

Welcome to our practice!

We are grateful you have selected our office for your dental treatment. Most of our patients learn about our office through a colleague, friend, or relative. When a patient refers someone to our office, we consider it the highest compliment we can receive.

Our commitment to you will be preventive in nature and dedicated to your health. We are serious about providing high quality dental care and are proud of our team's dedication to our patients. Our goal is the preservation of your dentition and smile and to help you feel and look your best through excellent dental care.

We provide office hours at patient oriented times and are always available for emergency services. We will advise you of treatment needs and expenses. We are here to serve you so please do not hesitate to ask or call us regarding any matter.

Enclosed you will find a patient information form, a medical history form and an update form/ HIPAA privacy form. Please fill out only the top portion of the green form and the entire white and purple forms and bring them along with your dental insurance card to your first appointment.

We welcome new patients and appreciate and acknowledge referrals. We look forward to meeting you!

Sincerely yours,

Dr. Ian M. Carlis
Dr. Michael J. Parsons
Dr. Jacqueline R. Owens
